The inspector reiterated the dangers of Allergens in nursery; we are therefore continuing with our **POLITE REMINDER for lunchboxes:**

Please ensure that ALL small fruit such as grapes and cherry tomatoes are cut in half for your children; we have been reminded that they pose a very high choke hazard for small children and must be halved NOT eaten whole! Due to the risk of allergic reaction can you also ensure that you **do not** send in any eggs or nuts! (including scotch egg).

Thank you
