

Dear Parents,

Leavers picnic

We are fast approaching the end of term and are aiming to have a 'picnic lunch' for the children on **Monday 10th July.**

Please can we ask parents **not** to send lunchboxes on that day but instead return the paper plate that we send home back to us filled with the requested picnic food item?! Thank you

Can we also request that children who usually have a hot school lunch not have it on that occasion and join us with the picnic lunch?

If your child would like to dress up on Monday 10th July they are most welcome to do so!

Children returning in September 2017

We have a special request that the children who are returning to nursery in September have fun together with their parents and our piece of bunting (to be sent out separately); complete it, decorate it, colour it in, attach photos or draw a self-portrait, the brighter the better!! We will be displaying the bunting in nursery on our return to nursery in September when our topic will be: 'ALL ABOUT ME!'

Additionally, if you would like to send photos of family members into nursery (please not originals and please with names on the back) we can include them on our 'ALL ABOUT ME!' display board alongside the bunting!

September 2017

Please also ensure that you have requested (if any) changes to your days/times that your children are attending nursery in September; if we don't hear from you we assume everything stays the same; thank you

Clifton Primary School: Summer Fayre: Saturday 1st July 1pm – 4pm

Nursery are hosting a bouncy castle at the fayre; If you are free and able to help support the castle with your time please sign up (A sheet is on the nursery door for helpers!) All help is very much appreciated; the more people who help the less time 'manning' will be required: 15 minutes – ½ hour??? Thank you

Raffle tickets are available in the office (a list of prizes has been on the nursery door) if you would a raffle ticket; please ask!

Break up for Summer: Friday 21st July: please book your child with Pippa: manager@cliftoneyc.co.uk if you are a term time only child and require a place over the Summer.

Transition to school

On Monday 3rd July Preschool children will be visiting Clifton Primary school for a 'sports hour' alongside the current reception class; this will provide an opportunity to meet their new teacher Mrs Johns whilst supported by their key worker Debbie before they attend their taster days independently on Friday 7th July and Friday 14th July.

Thanks
